

Oct. 5 1942

To Whom It May Concern:

This will serve to introduce the bearer, ~~Mr~~ Leonard Pearson, a member of The Newark Eagles Baseball Club.

Due to the fact the 1942 season has come to a close, the bearer is seeking employment. He has been with The Eagles the past six years, and his length of service proves the value he was to the club, and the esteem he was held in.

I personally mailed, to the town in which he was born, five days ago, an affidavit signed by his father, which cited all the facts surrounding his birth, plus data of an insurance policy issued to him at the age of five years, plus his school diploma, issued upon his graduation from grammar school. There has not been sufficient time to receive the birth certificate back.

Knowing how sorely men are needed in our defence plants, I am writing this recommendation in an effort to assist Pearson in getting placed without waiting for his birth certificate, which may be delayed.

If any of our defence plants will give him employment, I hereby agree to inform them as soon as the application for the birth certificate is heard from. Please let me know if you desire such information.

Very Truly Yours
